You are not pro per in Adli until so filed with the court. Don't create malstrom in the court.

I told the process server not to serve the Adli Law Group.

Don,

1. Make sure you copy Ed on matters related to the Adli case.
2. I instructed the process server to serve both defendants. I am in pro per on this matter as of last week.
3. I have not heard back from the process server. After service has been done, I will forward the POS.

Alex,

What is the status of the Adli service of process?

You were going to have Darius Adli (only) served (not the Adli Law Group).
